Dear friends,

It is my pleasure to invite interested parties to attend a specially designed ITTF World Junior Elite and ITTF Hopes Training Camp, held in cooperation with the Swedish Table Tennis Association and the Swedish Elite Center in Köping.

Köping is located approx 120 km outside Stockholm and only 35 minutes bus-transfer from Örebro, the "home" of the Safir event taking place 24-28 FEB.

The camp, held in conjunction with the Safir International Junior meet, has been a popular fixture on the international calendar the last few years and is the perfect fit with the demanding ITTF JC Swedish Open held in Örebro..

Participation in general features young talents from more than 20 countries with good quality sparring available for any playing level.

*The camp will in 2010 for the first time be designated to a series of **Try Out camps for the ITTF World Hopes Team** with the head coach Dejan Papic taking a leading role for that age group.*

I hope you will enjoy the Swedish TT experience in Köping and Örebro
